For a great day out for the whole family, first of all visit Stanley Market early in the morning for an interesting shopping experience. Then you can visit Ocean Park where you can spend the whole afternoon having fun. For lunch, you can eat dim sum at Jumbo Kingdom. It's a good choice. The old Aberdeen Police Station and temple are also worth a visit. Take a stroll and head to Repulse Bay and walk along the beach, just in time to see the beautiful sunset. At Cyberport, you can shop, dine and enjoy a movie, or chat lovingly in its park by the sea. At night fall, indulge in culinary delights at the Aberdeen Centre with its wide choice of restaurants, and take a ride on a Sampan to see the biggest typhoon shelter in Hong Kong.

Last but not least, the Hong Kong Maritime Museum in Stanley is definitely worth a visit. It has many exhibits that bring back memories of old Hong Kong. It is also an excellent destination for seniors.
